

Download Marihuana In Science And Medicine

Marihuana and Medicine's reports of the latest findings on the pharmacological and molecular mechanisms of marihuana and of its clinical manifestations will be essential reading for physicians, psychiatrists, pharmacologists, health-care professionals, policy makers, public health officials, and attorneys. The medical use of marijuana is surrounded by a cloud of social, political, and religious controversy, which obscures the facts that should be considered in the debate. This book summarizes what we know about marijuana from evidence-based medicine--the harm it may do and the relief it may bring to patients. Marihuana In Science And Medicine by Gabriel G. Nahas Medical Marijuana: The State of the Science - Medscape Cannabis Science and Medicine at UVM. General Overview of Offerings. Cannabis Logo Clinicians need access to high-quality education on up-to-date€ DrugFacts: Marijuana as Medicine National Institute on Drug Abuse .Marijuana and Medicine addresses the science base and the therapeutic effects of marijuana use for medical conditions such as glaucoma and multiple sclerosis.
