REMstar Pro Medical Equipment pdf manual download. Also for: Resironics remstar pro c-flex +.(4) REMstar Autos w/C-Flex & (6) REMstar Pro 2 CPAPs w/C-Flex - Pressure Setting = 14 cm. "Passover" Humidification - ResMed Ultra Mirage FF - Encore Pro w/Card Reader & MyEncore software - Chiroflow pillow I need to reduce the pressure on my Remstar Plus C-Flex. I found a site that showed how to do it for a ton of cpap's but not my model. The reason I need to change is when my allergies are bad I need to change from a nasal pillow to a face mask.
