

# Download Reversible Lace Scarf Knitting Pattern

## 8ply

I was SO happy to find this pattern. I made the first one, using local alpaca and Noro Kureyon, as soon as I downloaded the pattern, it's very well written, easy to understand and it's REVERSIBLE! Then I still had some of the same yarn left... so I made another one... After making a little hat and scarf that called for this technique, I made a little blanket like this a few years ago for some friends of mine who were adopting their second baby boy. I used a cornflower blue yarn, an aqua and a cream. It looked gorgeous and the texture was so ropey and fun. I imagine any baby would love to stick his or her fingers through it.
